Glasshouse Mountains Golf Zone Competition Nominations — Player Guide

Overview

The GMGZ nominations page lets you put your name (and your playing partner's name, if you have one) into a Zone competition — all from your phone or computer, without any paperwork.

Each club has a set number of spots. Once those are filled, you can still join the reserve list. The organiser will move reserves into the main draw if spots open up.

Step 1 — Open the nominations page

Use the link your club provides, or go to the GMGZ website and look for the current event. The page opens in any web browser — on your phone, tablet, or computer.

 **Tip:** You don't need an account or password. Just open the link and you're in.

You'll see the event details at the top of the page (venue, date, tee time, and the closing date/time for nominations). Once nominations have closed, the bar shows "Closed" in red. Below that is a grid showing all clubs.

Step 2 — Select your club

Tap or click your club's card in the grid. Each card shows:

- how many spots are still available
- how many reserve spots remain
- a progress bar filling as nominations come in

If the card has an orange border, the main spots are full — but you can still join the reserve list (see Step 4).

Step 3 — Choose how you're nominating

At the top of the form, select one of three options:

Option	Use it when...
Solo	You're nominating just yourself. The organiser may pair you with another solo player later.
Join a Solo Player	You want to partner with someone who has already nominated as "Solo". Their name will appear in a list for you to choose.
New Pair	You and your partner both want to nominate together right now. You fill in both sets of details in one go.

Step 4 — Fill in your details

Complete the form for yourself (and your partner if you chose "New Pair"):

Field	What to enter
First Name	Your given name, as registered with Golf Australia.
Last Name	Your surname, as registered with Golf Australia.
Golflink Number	Your 10-digit Golflink number (e.g. 4130301234). This is on your Golf Australia membership card or in the Golflink app.
Cart / Walking	Choose W (Walking), OC (Own Cart), or H (Hire Cart). Tap the button that applies to you.
Note (optional)	Any request for the organiser — for example "Please group us with Wilson from Pine Rivers". Keep it short (120 characters max).
Contact Number (optional)	Your mobile number. The organiser may use it to contact you if something changes before the event.

 **Tip:** Double-check your Golflink number. The organiser uses it to verify your handicap for the draw.

Step 5 — Submit your nomination

When everything looks right, tap the large green Submit Nomination button at the bottom of the form.

You'll see your name appear immediately in the "Current Nominations" list below the form. That's confirmation — no email or receipt is sent.

 **Tip:** If you get an error, check you've filled in all required fields (first name, last name, Golfink number, and a cart choice).

When the main spots are full — Reserve list

If your club's main spots are all taken, the form switches to Reserve mode (it turns orange). You can still submit your details, and you'll be placed on the reserve list.

Reserves are listed separately below the main nominations. If a spot opens up (someone withdraws or the organiser increases the limit), reserves are moved in order.

 **Tip:** Even if you're on the reserve list, submit early so you're near the top.

Editing or cancelling your nomination

Need to change your cart preference, update your note, or pull out? Tap or click your name in the "Current Nominations" list. You'll be asked to enter your Golfink number to confirm it's you.

Editing your booking

Once verified, you can update:

- — **switch between Walking, Own Cart, and Hire.** Your cart preference
- — **change or clear any grouping request.** Your note for the organiser

 **Tip:** You can't change your name or Golfink number through this form. If those are wrong, cancel and resubmit, or contact your club representative.

Cancelling your nomination

If you want to pull out entirely, tap Cancel Nomination in the edit form and confirm. Your spot becomes available for someone else immediately.

 **Tip:** If nominations are locked (the event bar shows "Closed"), you won't be able to edit or cancel online. Contact your club representative directly.

Viewing the season schedule

Tap the Schedule button in the top-right corner of the page (or look for the  Schedule link). This opens the full Zone calendar showing all upcoming events for the season — dates, venues, and competition types.
